Nomination Statements for Board 2025

MITAL DWARKADAS – Finance Director

With over 20 years of experience in the financial services sector, I bring deep expertise in financial governance, regulatory compliance, risk management, and the design of robust control frameworks. At TTC, my focus is on enhancing financial processes—particularly around investment spend—to help build strong capital reserves and ensure the long-term sustainability of our theatre and club, so it can continue to thrive and inspire for years to come.

LUCINDA SPRINGETT – Non-Executive Director

With a career dedicated to transformation, strategy, and operations, I bring a practical, people-centred approach to problem-solving and decision-making. I've led complex programmes across multiple sectors, balancing strategic ambition with day-to-day delivery. As a former arts manager and now business consultant, I understand both creative and organisational priorities. I value collaboration, clarity, and inclusion, and I am confident in contributing to governance, risk, finance, and future planning. I'd be proud to support TTC in continuing to thrive as both a producing theatre company and a vital community space.
